

ANNOUNCE HEADS OF COMMITTEES

Slogans For the Chamber of Commerce Are Suggested by Two Directors.

In order that the work of the chamber of commerce may be carried on with the same energy that attended its inauguration by the new board of directors, heads of committees were named at the meeting Thursday, called primarily for this purpose.

Robert Krakauer was named chairman of the transportation committee; A. Schwartz, ways and means; Robert Silberberg, mines and mining; Geo. B. Evans, manufacturing; L. A. Shedd, lands, irrigation and horticulture; S. J. Pruden, statistics, publishing and immigration; Claiborne Adams, membership; with Robert Krakauer as vice chairman; C. H. Finley, excursions and conventions; Geo. B. Evans, public improvements and suggestions.

Mr. Krakauer announced his committee as follows: Jas. R. Dick, vice chairman; S. J. Pruden, Geo. B. Evans, Will Cronble, F. W. Seward, H. B. McDowell, C. W. Owen, A. L. Lathrop, John Grant, A. Mathias, W. N. Small, E. P. Kopley, V. H. Raggio. These were confirmed and he announced that several railroad men would be named by him later. Other chairmen will announce their full committees at the next meeting, February 12.

Finance Committee Abolished.

It was decided that the executive committee for the chamber's convention should remain as arranged by the old board of directors, with the exception that J. A. Happer was selected as chairman of the program committee, replacing W. W. Rose, who is out of town a great deal of the time. The finance committee was abolished, as all expenditures are to be passed on by the board of trustees of the budget system.

Secretary Rufe P. March reported \$1,547.76 in the general fund and \$85.44 in the Os-Apache fund. Delinquent accounts were referred to the membership committee.

John M. Wyatt was elected a member, and the resignations of Sig. N. Schwabe, representing the Southwestern Oil and Gas Co., and J. J. Conner, were accepted. A. Schwartz suggested the appointment of an advertising committee to pass on the virtues of advertising schemes and protect the merchants from advertising where no endorsement was given by the chamber of commerce. The selection of this committee was left to the president.

Two Suggest Slogans.

R. Krakauer suggested a slogan "The Spirit of 1913" and A. Schwartz suggested "The Spirit of Today." This matter, as well as the suggestion of Krakauer to exclude firms and corporations and take in the individual

members, was referred to the membership committee. A Schwartz suggested that the membership should be increased to 1000 and believed this could be made possible by the "elimination of the \$5 initiation fee." Claiborne Adams expressed the opinion that the fee should not be eliminated, but suspended for a period of 90 days. This matter was referred to the membership committee.

Traffic manager A. W. Reeves proposed the distribution of advertising leaflets on trains coming into El Paso. Secretary March reported that he was working on a leaflet and was instructed to attend to its publication. The distribution will be attended to later.

Favor Sanatorium Plan.

The request of Mrs. O. B. Colquitt to establish federal sanatoriums throughout the state for indigent consumptives was endorsed. Mr. March reported that Dr. C. T. Race, of the city health department had informed him there were 1500 persons afflicted with tuberculosis in El Paso and there are an average of 20 indigent cases a day.

The request of the Women's Charity association for a donation was referred to the ways and means committee.

The request of the International Blue Book publishers for a 10,000 word article on El Paso to be written by the secretary, was declined. The request of Milt S. Mooney, for an article on El Paso and cuts showing views of the city and surrounding territory was referred to the advertising committee, which is to be appointed later. He desires to use the cuts in the publication of the program book for the chambermen. To the program committee was referred his proposal to put on a horse show during the convention, for which he asked the chamber of commerce to guarantee expenses to the extent of \$5000. A proposition to conduct a carnival during the convention, presented by a man named Kaufman, was referred to the same committee.

The proposed excursion to Amarillo, to secure the Panhandle cattlemen's convention for El Paso in 1914 was referred to the convention committee.

A. W. Reeves was instructed to make an effort to secure a large representation from El Paso at the barbecue to be given by residents on the west side of the Rio Grande near Canutillo Saturday.

Robert Krakauer was authorized to sign warrants for treasurer S. J. Pruden until the latter returns to the city. Mr. Pruden is now in the east and will be gone until March 1.

**FIND IT DIFFICULT TO
SECURE JURY AT TOMBSTONE**

Tombstone, Ariz., Jan. 31.—A venire of jurors was exhausted in an attempt to get 25 men qualified to form the panel for the Cave Adams murder case. This case is attracting a great deal of attention and it is hard to get a panel to qualify. So far only 19 have qualified and a special venire of 50 has been ordered.

Duffy's Pure Malt Whiskey

THE MOST VALUABLE MEDICINE

Made From The Choicest Grains

Barley is a very old grain. It was an important article of food in the primitive days when men were strong. The mighty Greeks ate bread and barley flour. Since the beginning of history, drinks made from barley have been used in cases of illness. All the ancient nations recognized its wonderful curative powers.

Barley is a costly grain, yet the very choicest barley, regardless of cost, is used in connection with other selected grain in making Duffy's Pure Malt Whiskey. Other so-called "malt whiskeys" which you can buy in the store at a less price than Duffy's Malt use cheaper material with a meager amount of malt; but bear this in mind—these imitations, while they are made to look like Duffy's Pure Malt Whiskey, have not the Medicinal Strength-Giving Properties nor palatability and fine flavor that characterizes Duffy's Pure Malt Whiskey.

When convalescing from illness, or when the system is run down, or in cases of colds, coughs or affections of the throat or lungs, no medicine is so effective as REAL Malt Whiskey taken in small doses. And the Malt Whiskey which has the utmost of strength-giving elements—elements which can only be obtained through the use of BARLEY MALT—is Duffy's.

Recommended by physicians for almost half a century. \$1 per large bottle of any druggist, grocer, or dealer.

The Duffy Malt Whiskey Co., Rochester, N. Y.

CATTLEMEN EXPECT LARGER SALES SOON

Local cattlemen report several deals in sight, but owing to the tieup on the Mexican railroads, are unable to move any cattle into this port. They look for large sales during the coming spring months, but movements through this city are few and far between at this time.

H. M. Stonebreaker has received 928 head of steers from the Cananea Cattle company and has placed them on pasture at Newman, N. M.

TWO FILE SCHEDULES IN BANKRUPTCY COURT

Silver City, N. M., Jan. 31.—W. A. Tenny, the well known freighter, who sought relief under the bankruptcy act before Judge Pope, at Santa Fe last month, has filed a schedule of his assets and liabilities with Frank W. Valcott, of this city, referee in bankruptcy, showing his liabilities to be \$11,694.77, while his assets amount to \$15,291, the latter consisting of horses, mules, wagons and other articles used in doing an overland freight business. Nearly all his creditors live in Silver City.

DETECTIVES PROTECT WITNESSES

IN "WHITE SLAVE" CASE

New York, N. Y., Jan. 31.—All the local federal detectives attended United States Judge Hand's court in the government witnesses at the trial of two alleged "white slave" dealers. A score of foreigners, friends of the accused men, watched each witness who took the stand and, when Annie Grecco, claiming to be a victim of the defendants, stepped up to testify, movements of fingers and thumbs of spectators conveyed to her what she interpreted as "death threats." She was seized with a paroxysm of terror and Judge Hand directed that she be removed from the room.

When she returned and told her story, she said she was threatened "with the knife" and compelled, at the command of Frank Filasto, one of the defendants, to leave her home, in New York city, and enter a resort in Paterson, N. J.
